

“Serious about fun”

Are you Serious about Fun? Then we want YOU on our Team!

Recreation Excellence is pleased to work with the Township of Langley in the delivery of all services at the George Preston Recreation Centre and Aldergrove Community Arena as well as facility operations services at the Langley Events Centre.

As we prepare for the upcoming ice season, opportunities exist for

Ice Maintenance and Conversions Staff – varying degrees of experience and certification are required; from qualified 5th Class Power Engineers with Refrigeration Operator’s certificates; to those willing to work towards same. Ice facility experience is an asset. If you’ve always wanted to drive the Zamboni or be part of a team converting a multi – purpose facility, we may have something for you! Previous experience is helpful, but we’d love to train you for any of these opportunities in both Part Time and possibly Full Time positions. We offer competitive wages combined with flexible scheduling.

Qualifications for Full Time positions include Current First Aid and WHMIS Certification.

If you are a highly enthusiastic, flexible, reliable person who is “*Serious About Fun*”, we’d like to hear from you about joining our team in one of these positions!

Please apply with resume and covering letter, specifically indicating the **position(s)** and **location(s)** applied for **by July 29, 2011**.

George Preston Recreation Centre
20699 42 Ave, Langley, BC V3A 3B1
